What's all the hoopla?

Get free streaming movies, TV shows, music, audiobooks

Getting started with Hoopla on a computer

1. **Open** the **Chrome Browser** on your computer and go to **www.hoopladigital.com**

   The Chrome Browser includes the Plug-in that is necessary to view Hoopla videos

1. **Click, Login**

2. **Click, Sign Up Now**

3. **Select** your library

4. Enter your **email, password, library card#,** & **PIN#**

5. To **search,** enter the author, performer, or title in the search line next to the magnifying glass

4. **Select** and **Borrow** a title.

5. The borrowed title opens.

5. Click, **Read** or **Play** to view or listen to content **online.** Content cannot be viewed or listened to offline on a computer

6. 7. The **My Titles** tab, is where you find your borrowed content and the number of borrows remaining in the month.

8. To view or listen to content, click on the title in the **My Titles** tab.
